Youth RISE! is a youth based community service group made up of students grades 9-12 in Clinton County. This program builds responsible and involved teens while providing different approaches that support and empower change within our youth while making positive change in our community.

Youth RISE! Members are provided education and awareness about responsible choices, risky behaviors, preventative health, social development, and life skills. The program continues to promote the prevention of teen pregnancy, the reduction in the number of youth with sexually transmitted infections, the prevention of tobacco use, and other health related topics
